

2018 EDUCATION SCHOLARSHIP APPLICATION FORM

POSTGRADUATE STUDENTS - CAREER ENHANCERS

Are you passionate about education and making a real change in the world?

The Torrens suite of short courses in Education serve as professional development opportunities for teachers across Australia. They also provide tasters and pathways into Torrens Education courses, and to serve the wider community in areas of need.

This scholarship is a unique opportunity to maximise your Postgraduate University experience as an educator, with exposure to experienced academic staff, as well as expand your skills for career progression.

Are you ready? Apply for the 2018 Education Short Course Scholarship today!

SCHOLARSHIPS ELIGIBILITY

Torrens University Australia scholarships will be awarded to Education students who demonstrate the following attributes:

- » **Academic Drive:** Ability to demonstrate a dedication to your academic studies, and a passion for studying and achieving high results.
- » **Community Minded:** Understand social cause and community needs
- » **Industry Passion:** Express a passion for the education industry and/or have relevant work experience

Potential education scholarship applicants must meet the following application criteria:

- » Post Graduate Students who will commence a short course (Design Thinking for Education, Introduction to Mental Health Conditions, Person First in Autism, Dyslexia) at Torrens University in Trimester 1, 2018
- » Australian citizen or permanent resident
- » **Scholarship Application Dates**
- » Start Date: Monday 16th October 2017
- » Scholarship applications due: Friday 24th November 2017

Description of discount:

Scholarship of 20% into the Education short course based on merit.

Eligible Courses

- » Design Thinking for Education - short course
- » Introduction to Mental Health Conditions - short course
- » Person First in Autism - short course
- » Dyslexia - short course

All short courses are pathways into TUA Graduate Certificate and Master's Degrees of Education.

Your scholarship is confidential information and must not be discussed with other students. Please read the full Terms and Conditions for more information.

Torrens Education Short Courses

DTE401 Design Thinking for Education

This short course is designed for teachers and school leaders, who are committed to innovating and changing their learning environments and would benefit from working as part of a community of change-makers within the school.

DYX403 Dyslexia

This short course allows practitioners, involved in an educational context and working with students on Dyslexia, to gain an invaluable in-depth understanding of the challenges and strengths and how to respond utilising the person first perspective.

IMH402 Introduction to Mental Health Conditions

This short course is designed for practitioners involved in an educational context and working with students on the Mental Health spectrum. This is the first subject in our Graduate Certificate of Education (Mental Health).

PFA401 Person First in Autism

This short course allows practitioners, involved in an educational context and working with students on the Autism spectrum, to gain an invaluable in-depth understanding of the challenges and strengths, and how to respond utilising the person first perspective.
